

The Power of Prayer

for Nico (Nicolas) Erb-Kanzleiter

**Please light a candle and pray for Nico every Sunday evening
at 7:00pm CET (German time)**

**All-mighty, all-powerful, all-loving God,
tonight in the solidarity of flickering candlelight
we call out for mercy for one of Your sons:
Where his body has been broken, bring healing.
Where his spirit has been weakened, strengthen.
When his heart is heavy, give peace and hope.**

**Shower wisdom and patience on doctors and nurses.
Open your arms wide to comfort and lift up family.
Give hope and courage to friends and church family,
Lead us all to show our love in prayer and action.
And let Nico feel our prayers, just in this moment,
As all around the world, the Family of God calls out:**

**We trust in your Mercy, your Grace and your Love.
We trust in your timing and we need you now! Come...**
